

Cloud Provider Due Diligence — FDI / Regulatory Readiness

Version: Amendment incorporated

Scope: Cloud providers and foundational digital infrastructure considerations.

Instructions: Tick the checkbox when the item is completed and record evidence/findings in the space provided.

Provider Governance

☐ Due diligence check	Evidence / notes
☐ Does the provider maintain executive accountability for cybersecurity and resilience?	
☐ Can the provider provide regulator/audit-ready evidence within agreed timelines?	

Cloud Security

☐ Due diligence check	Evidence / notes
☐ Is shared responsibility documented for all relevant cloud service layers?	
☐ Are material cloud changes assessed for cybersecurity impact?	

FDI Applicability

☐ Due diligence check	Evidence / notes
☐ Has the provider assessed whether its service falls within foundational digital infrastructure considerations?	
☐ Are applicable cybersecurity codes and standards mapped to internal controls?	
☐ Are prescribed cybersecurity incidents tracked against reporting requirements?	

Supply Chain

☐ Due diligence check	Evidence / notes
☐ Are critical subcontractors and technology dependencies monitored for cybersecurity risk?	
☐ Are supplier-originated incidents escalated to the provider and, where applicable, to customers?	

Assurance

☐ Due diligence check	Evidence / notes
☐ Are independent assurance reports scoped to the actual service and locations used?	
☐ Can the provider support customer audits and evidence requests?
