Subject: Sale of 88 Orchard Grove #12-04

Hi Priya,

As discussed, we've accepted an offer of SGD 3.28 million for the unit from Mr and Mrs Koh. Our agent says they're ready to sign the Option to Purchase this week. Can your team prepare the draft Sale & Purchase Agreement once the Option is exercised?

Also, my sister (co-owner) is currently overseas - will need a Power of Attorney arrangement, can you advise what's needed?

Bernard

Bernard,

Noted, congratulations on the sale. Once the Option is exercised we'll have 3 weeks to complete the SPA. For the PoA, please have your sister execute the enclosed form before a notary in her country of residence and courier the original to us - we'll need it before exchange.

I'll also do the standard title search and check for any outstanding encumbrances on the property this week.

Priya
